Unit 7 You Are the Problem No1

P82 1

Taku and his friends are practicing a new song.

Aya: No, no. Stop. This isn't working.

Taku: What's the matter?

Aya: Your guitar solo is too long.

It's longer than my solo.

Taku: No, it isn't. Anyway, Aya, your keyboard is too loud.

Aya: I'm playing softly. Your guitar is louder!

Taku: No way. Your keyboard is louder!

P84 2

Min-ho: Aya's right. The problem is your guitar. It's the loudest of all.

Taku: No, you are the problem! You make too many mistakes.

Min-ho: No, I don't!

Taku: Yes, you do!

Min-ho: No, I don't!

Tina: Stop, stop, stop! Calm down.

Remember, this is the biggest concert of the year.

We don't have time to fight.

Unit 7 You Are the Problem No2

P86 3

Taku,

How are you feeling? What happened to you today?

It wasn't like you at all.

I think you were unfair to Min-ho and Aya.

Min-ho can't play very well yet.

But he's practicing as hard as you.

Be nice to him.

You're a great guitarist, but we have to work as a team.

P88 You Can Do It!

Tina,

I know.... I lost my temper today because Aya was blaming me.

That wasn't fair. But you're right — Min-ho is trying his best.

When I see Min-ho, _____.

Anyway, thanks, Tina.
