Unit 5 Aya's Time in Okinawa No1 P46 1 Hello, everyone. I went to Okinawa this summer. Today, I'm going to talk about my time there. I have three cousins in Okinawa. I stayed at their house. We went to the beach together every day. We enjoyed swimming and snorkeling. I saw a lot of colorful fish and coral. They were amazing. P47 2 I heard some great music in Okinawa. Do you know the sanshin? It's a traditional Okinawan instrument. My uncle played it and sang Okinawan folk songs for me. I loved them, so I wanted to play the sanshin myself. He taught me and now I can play my favorite song, "Shimauta."
